EXPERIENCE

I'm a **graphic designer** with over 5 years of experience in the industry.

• I'm a graphic designer who specializes in book cover design, logo design, and brand identity. I know what it takes to create a cover that will catch someone's eye and compel them to pick up your book or click on your logo. I'm also an expert at creating custom fonts for logos and branding purposes. My passion for typography is one of the things that led me into this career-I love working with new fonts and seeing what they can do!
